

Pentecost

Today is Pentecost Sunday and we remember how everything changed because of what happened in Jerusalem. The Easter Season we have been celebrating in church since Easter Day becomes the Season of Pentecost.

Jesus' disciples were waiting in Jerusalem for something to happen. The Lego video explains the events. You can find the story in the Bible in the New Testament Acts 2 : 1 - 21 It is also in the Sparks Story Bible at the chapter headed 'The Holy Spirit'.

The disciples knew what to do next. The Holy Spirit (God's Helper in the world) came as promised to be beside them. The disciples could feel the Helper's presence within them to encourage them to have confidence to speak to the crowds and tell everyone about Jesus wherever they came from. They could pass on the Good News so that all could experience the Helper as well.

Often Pentecost is thought of as the Birthday of the Church as it was from that day that Jesus' message really began to spread to all parts of the world.

18. 25. 10. 24. 6.

13. 1. 24. 6./ 20. 1. 17. 16.

19. 25. 21. 26.

18. 22. 1. 17. 1. 8.

- ❖ I wonder what the 'rushing wind' might have sounded like and if you could make the sound with anything you have in the house ?
- ❖ I wonder how a disciple and a member of the big crowd might each have felt as they watched and listened?

Prayer

Dear God
Thank you for filling our lives with your love and with your Spirit. Help us bring that joy to others every day.
Amen

For all ages

Wind Power Challenge

We cannot see the wind, but we can see things its does.

We cannot control the wind, but we can work with it to do amazing things.

The Holy Spirit (the helper Jesus told us about) is often compared to the wind;

We cannot see the Spirit, but we can see things the Spirit does.

We cannot control the Spirit, but we can work with her to do amazing things.

- ❑ To help us remember and think about this we are inviting everyone (on your own or as a family) to make something wind powered, by reusing things you already have.
- ❑ Then take a photo of your creation (a photo without people in it please) and email it to Fiona (minister@augustine.org.uk).
- ❑ She will make a collage of our Wind-powered Creations photos, to share round TLC for the following Sunday to remind us of wind / spirit power throughout Pentecost.
